

Series 620 - 621

There are two small hamlets in the province of Skåne in southernmost Sweden situated only a few metres from each other. One of them, called Skanör, has special crossing places with their own signs in the main street — for geese.

These extremely easy-to-operate dispensers are used for marking goods, assembly work and in offices and shops etc.

All types of self-adhesive labels on backing paper can be used.

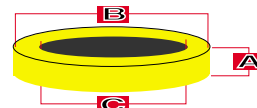

Label widths are 50 mm, 100 mm and 150 mm.

A weight is supplied with all ND 621 series models.

Optional accessories:

- Customer's choice of colour
- Customer's choice of print on label

See product specifications when ordering, page 6.

ND 61/50-69/50-5150

Smack in the middle of Stockholm, Sweden's capital, stands the royal palace. But the king doesn't live here. Several years ago he and his lovely queen moved to Drottningholm, another magnificent official residence just outside the town.

The Stockholmers are always bragging about having the world's cleanest rivers. Here they sit, on the banks, catching game fish outside the palace.

LABEL PROTECTION DISPENSERS

ND 61/50**232

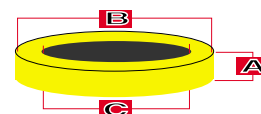

These dispensers are designed to be loaded with PVC or PP tape which can be used for applying different types of labels.

ND 61/50 is used for 50 mm wide labels.

The dispenser is ideal for use in the retail trade and for goods despatch departments etc.
